The ladies' uniform provided is the long black dress.

The men's uniform provided is the tuxedo pants and jacket.

Men will also need to purchase a white tuxedo shirt, black bow tie and black cummerbund on their own. (Savvi Formal Wear, Northpoint Mall)

All players will need black shoes and black socks (if appropriate).

Hemming and alterations: Players are responsible for their own alterations. Please **DO NOT** cut off the extra material. Use only an easily removed stitch for all hemming. Others will use the uniforms after you and future adjustments may be necessary.

Each student is responsible for the uniform for the duration of the school year. The student will be held responsible for the replacement cost if the uniform is not returned in good, wearable condition. At the end of the school year all uniforms must be returned within five days of the last MHS concert or performance given by the student. **DO NOT** dry clean uniform if it is turned in within this time frame. For most players, uniforms will be collected immediately after the final concert of the year.

Delivery: Uniforms can be picked up approximately 2 weeks prior to the first concert of the year (exact pickup date TBD). This should provide players with adequate time for alterations or adjustments. Uniform fees must be paid before uniforms are sent home.
